Summary

With 4 years of industry experience and recent completion of the 2D Animation Program with Herzing College - I specialize in bringing stories to life through character animation. I can adapt to a wide range of animation styles and production demands, and combine creativity with strong time management skills to consistently deliver high-quality work on schedule.

Experience

Sphere — 2D Animator

June 2025 - Current

- Created blocking passes and animated characters based on storyboards.
- Use Producer to track progress and manage files
- Maintained remote communication as needed to keep leads and team update.

Blue Ant Media — 2D Animator and Designer

November 2024 - February 2025

- Created test animation to develop the look of an animated pilot project
- Created and revised storyboards as needed
- Designed and rigged simple props

Look Mom! Productions — 2D Animator

February 2023 - June 2023

- Completed Character animation in a hybrid traditional and cut-out animation.
- Regularly made redraws to achieve more specific poses and expressions.
- Rigged simple props as needed
- Worked with Producer and Web CC to track progress and manage files

Keyframe Digital — Junior Animator

June 2021 - November 2022

Education

Herzing College
2D Animation Degree

2024 - 2025
Ottawa

Max the Mutt: College of Animation, Art & Design
Animation Production Diploma

2018 - 2021
Toronto
